

All teams are required to upload the following items into the "Document" section of their Got Soccer team account - no later than Monday, November 16th.

1 - Your official Fall 2020 roster, with any guest players hand written on the bottom and any players not participating in the tournament, crossed off.

2 - Copies of your GUEST player passes - for those GUEST players who are participating in the tournament. If you do not have player passes for your guests, we will need to see a copy of their birth certificate and a note designating their primary team assignment, so we can confirm with EPYSA. All guests must be carded travel players. Max guests per team is 5, and your guests cannot take your roster over your roster max limit.

3 - Signed "Coaching Affidavit" - signed by the coach or the team manager - [click here](#) for the Coaching Affidavit

This is required of ALL TEAMS as there is no walk-up registration on tournament weekend.

To find where to upload the documents, do the following:

Log into your Got Soccer Account. Click on "Events" and then click on "CRUSA/FC Bucks Adidas Classic". Then click the "Documents" tab and click "Browse" to find your saved roster, and coaching affidavit on your computer. **Upload each item separately and then click "notify"**.

If you have trouble, please email Jill at supervisor@crusa.net for assistance.
